

*Benisha Carr, Ed.D.*  
Doctorate of Education

May 22, 2017....We are proud to announce that our Dean Carr has completed her Doctorate of Education. When asked about her contribution to Goodwill Education Center, Students and staff declare with pride that “Dr. Carr makes the difference.” Examples include, but are not limited to implementing Positive Behavior Interventions and Supports (PBIS), incorporating school activities, conflict resolution, student guidance, Ethnicity Sensitivity Training, and mentoring our WASC process.

**Continuation/Ed Options Administrator of the Year**

**A statewide awards program recognizing excellence in education honored a handful of High Desert educators during a San Bernardino County regional ceremony.**

Region 12 of the Association of California School Administrators held its annual Spring Celebration at the Doubletree Hotel by Hilton in San Bernardino April 20, 2017,

presenting awards to administrators and educational “partners” in the county.

During this ceremony, Dr. Carr, was named Continuation/Ed Options Administrator of the Year, “recently facilitated the planning and implementation of Positive Behavior Interventions and Supports (PBIS) at Goodwill,” according to San Bernardino County Superintendent of Schools Ted Alejandre, earning the school an award from the California PBIS coalition.

“Ms. Carr has created a positive culture by incorporating school activities to increase school pride,” Alejandre said.
